

Become a member of CTII

It is easy, inexpensive and fun.

The **City Theatre of Independence (CTI)** membership fee is currently \$20 a season. Your membership gives you a voice at CTI and it allows you to buy one Season Pass for \$10 off. A Season Pass allows for five admissions to the current season but can be used flexibly, anything from a single admission to each production to all five admissions for one production. If you are a production participant (actor or crew) your wife, husband, child, parent, or good friend can use your season pass to see the show. CTI is a member of the Independence Chamber of Commerce which entitles CTI members to enjoy the discounts and promotions that other Chamber members offer!

Volunteers are always needed for a variety of activities. Membership is not a requirement to participate, but it does provide a say in the selection of plays and musicals CTI produces and in the election of CTI officers. Members are the first to know what is going on at CTII!
